Study Notes

Start Up

It's almost text book. After every life changing trip or event, you come home on a "spiritual high". After a few days you will seem to forget.

On this mountain place a dot where you think you are right now in your spiritual walk with Christ.

Focus On

Genesis 20: 1 - 2

Close With

Why would Abraham tell others that Sarah was his sister? It seems as though he is scared and doubting God's ability to protect his children. Have you ever done such a thing? Will you go home and deny Christ? Or will you go home changed? Pray that Christ will keep you bold and willing to change.

Notes:

Start Up (SAMPLE INTRO PARAGRAPH)

Well, we are here again! Time seems to fly by so fast. It is like only yesterday that we were loading up to come back from MTF 2006. Please take this time to examine your purpose for being here this weekend.

Focus On

Galatians 3:14

This is the F.E.B trip's theme verse. There are 3 questions I would like for you to answer to maybe jar your mind into understanding this scripture.

- 1) Who did the work that we might receive this blessing?
- 2) What is the requirement for this blessing?
- 3) What is the blessing spoke of in this verse?

Close With

Close in a prayer asking God to give you His rest this weekend and that you might spend some quality time with him.

Notes:

Start Up

At the age of 90 Abraham was receiving news of a son through his wife Sarah. To add to the unreal idea, God also explains that his descendants would be many. What a Joke, right? I mean, who in their last few years is going to have children? Also, even if that happened it sure wouldn't be that many. Well, you will notice that God doesn't work by human terms. Age, time and circumstances mean nothing to Him. Try to put your self in Abraham's setting. What would you have to say about the following:

- 1) Time:
- 2) Money:
- 3) Family:
- 4) Plans for retirement:
- 5) Age:

Focus On

Genesis 17:2-8

Now the question is, do you see yourself in these excuses? If you were honest you have been in a place where you have had doubts about how God will work. Notice though, Abraham fell down and surrendered (Genesis 17:3). Have you totally surrendered your life to Christ? Have you given Him everything? Pray and surrender your all now. Why wait?

Notes:

Start Up

We last left Abraham and Sarah entertaining guests. When Sarah overheard the news of her giving birth to a son "Isaac" she went hysterical. Wouldn't we all want to laugh if we heard of a 100 year old giving birth. That is just crazy. Write below a time when you though God was telling or asking you to do something "crazy":

Focus On

Genesis 18:13-15

Close with

After reading the verses and recalling one of those "God you got to be kidding" times. The question remains. Is there anything too hard or out of control for the Lord? I think that you know the answer to that. Pray and ask God to strengthen your walk with Him. In doing this you will come to understand the true power of God.
